5:00 PM Salvation Army Dinner

Our thanks to Pastor Fred for leading us in worship today.

The Paschal Candle moves beside the altar during the Easter season.

This large, white candle is an ancient symbol for Christ, the light of the world. The candle contains a cross and/or an Alpha Omega to symbolize that Jesus is eternal and always present with his people. **White** is the traditional color for this season, which celebrates Christ's resurrection. The butterfly symbolizes resurrection, Easter and the new life we have in Christ Jesus.

You are always invited to: Light a candle, say a prayer at the altar... in memory, in celebration, in thanksgiving. *Candles will remain lit until they have burned out safely into the sand.*

Salvation Army Dinner

Anyone who can help with the Salvation Army Dinner at 5PM this evening please contact Nancy Sandeen or Vicki Dehnert.

Most of us have never been faced with the death of our active pastor. This suggests that we have probably experienced some feelings which have been new to our usual state of mind. If you have wondered about some of those feelings this past week our Stephen ministers will be available in the narthex for the next few Sundays after worship. Look for their Stephen Ministry name tags and take the opportunity to share with them how you have processed this experience.

In May we are collecting Jello for the Oaks Indian Mission.

Summer Special Music

The months of June and July, while the choir is on summer break, we are looking for a variety of musical performances to provide special music. If you, or possibly a visiting family member, would like to provide special music, please sign up in the Narthex.

Any questions, ask Liz Hanson.
